WHY BUY? RENT!

If over the course of a year, from the date of joining our campaign WHY BUY? RENT! you can reach the proposed Revenue, you can get a discount of 5% to spend in rentals distributed in the first 6 months of the following year.

If within a year, your taxable amount spent in rentals is between a minimum of \in 10,000.00 and a maximum of \in 60,000.00, you will have the opportunity to take advantage of the 5% discount in rentals that can be spent in the first 6 months of the following year.

Example: If during the year you spent a taxable amount of € 20,000.00 in rentals, you can have a credit payable in rentals of € 1,000.00 which, distributed in the first 6 months, is equal to € 166.66 per month.

The amount of the discount acquired can not be combined with the Revenue which will be generated in the following year
